Offer good on personal accounts only; business and corporate accounts do not qualify for these plans. Bank rules and regulations apply. Ask us for details.

Competitive information was obtained directly from banks during the month of September 2007. Some banks allow minimum balance requirements to be met with alternative, linked or combined balances. Some banks may have introductory offers: comparisons are for on-going costs. Some banks may include other services in their checking prices. Compared accounts are standard checking accounts without regulatory limitations on the number of checks that may be written.

Surcharge may be applied by the owner of a foreign ATM.
